RE: Change to Civil Law and Motion Calendars

---

As you know, in response to budget cuts the court has implemented a 2:30 p.m. court closure every Friday, all day Christmas Eve 2012-13, and all day New Year's Eve 2012-13. Because of these closures, as well as some court holidays throughout the year, we have had to adjust our tentative ruling process for weeks the court is closed on Monday and Tuesday.

1. For weeks the court is **closed on Monday only**:
  - A. There will be no civil law and motion and probate matters set on the following Tuesday.
  - B. Law and motion and probate matters will be heard on Wednesday, Thursday, and Friday only.
  
2. For weeks the court is **closed on Monday and Tuesday**:
  - A. There will be no civil law and motion and probate matters set on the following Wednesday.
  - B. Law and motion and probate matters will be heard on Thursday and Friday only.

If you have any questions or wish to discuss these matters further, please contact Maureen Larsen at (707) 299-1113 or [maureen.larsen@napa.courts.ca.gov](mailto:maureen.larsen@napa.courts.ca.gov). Thank you for your understanding and cooperation during these difficult times.
