## NAPA SUPERIOR COURT ANNOUNCES RESTORATION OF PUBLIC SERVICES, TO REOPEN MONDAY, JUNE 1

What to expect if you plan to visit the court:

- **If you are sick, do not come to the court.** Anyone who appears sick or demonstrating COVID-19 symptoms will not be permitted to enter any court facility.
- **You must wear a mask or face covering** to enter a court facility and when you cannot maintain six-foot physical distancing from other court users or staff.
- **Prepare for the potential of long lines and extended wait times.** The court has implemented and will enforce social distancing requirements. Please observe all signage.

- All in-person hearings will be heard in the Criminal and Historic Courthouses. The Juvenile Courthouse will remain closed.

- Drop boxes are available from 8:00 a.m. to 5:00 p.m. at both the Criminal and Historic Courthouses. The court encourages you to file items by drop box to avoid significant wait times at clerk offices.

## Expanded Use of Technology to Conduct Court Business

During the recent closure, the court has pursued the expanded use of telephonic and remote video to conduct mandatory court hearings, such as in-custody arraignments and juvenile hearings. These efforts have been in coordination with the Napa County justice system partners and have been driven by the need to follow social distancing guidelines through reduced foot traffic in the courthouse. As part of the restoration of services, the court is continuing to pursue the expanded use of remote video, in several other court calendars, primarily covering the following areas:

- Criminal: Felony, Misdemeanor, and Criminal Settlement Conferences
- Family Law: Master Calendar (Represented and Unrepresented), Ex Partes, and Child Support

Civil and probate cases are being heard by remote proceedings when possible. All upcoming mediations are being rescheduled for telephonic and video appearances. Self-help services will now be offered by appointment only with phone and video options.

To continue to support social distancing, the court encourages remote participation but will also continue to provide in-person access as needed.

## Jury Service

Jury service will resume on Monday, June 15. The court has implemented various health and safety protocols, such as requiring face coverings and installing hand sanitizer stations, in addition to social distancing measures to limit the amount of people in any given court area. Trials will be scheduled to minimize the number of jurors needed for selection. If you are sick, exhibiting COVID-19 symptoms, or are a high-risk individual, the court will excuse you from service upon proof. If you've received a juror summons, please check your status [here](#) or call 707-299-1150 for more information.
